

# AME-67800

## Six-Way Socket Set

### AME-67800

#### 3 PIECE SPLINEPLUS™ SOCKET SET

- Works in cases of corrosion, rounded lug-heads, thin walls for specialty aluminum wheels, etc.
- Works on at least 6 different fastener types: Spline, 6-Point, 12-Point, Star, Square, 50% Rounded-off Heads.
- Color-coded protective sleeves for easy identification — helps to prevent damage to custom wheels.
- Manufactured using quality Chrome-Molybdenum alloy steel for high-torque and durability.
- Impact-rated.
