Auto Care

NEW FOR 2019!

INTRODUCING

The fastest headlight restoration solution.

Simply wipe both headlight lenses with the pre-moistened applicator cloth and let dry; no taping, sanding or polishing required.

Once dry, it forms a weather and UV resistant coating that lasts 2+ years.

One Wipe Restores One Car (Two Headlight Lenses)
Each box contains 10 individual ready-to-use wipes.

Clear headlights in just seconds

1
Thoroughly clean lenses with water and wipe dry

2
Remove pre-moistened wipe from packet

3
Wipe first lens, flip cloth over and wipe second lens

4
Done! Allow to dry (5-15 min)
