Bug Remover

DL3300

AVAILABLE SIZES 5 Gallon DL3300-5

Tough on Bugs, Gentle on Surfaces

Mighty Brightline® Bug Remover is an aggressive blend of detergents, glycol ethers, water softening agents and neutralizing agents formulated to remove june bugs, flies, mosquitoes and other flying insects from automotive bumpers, hoods, roofs, plastics, chrome and painted surfaces. Biodegradable. VOC/OTC Compliant.

Features:

- + VOC/OTC Compliant
- + Green product
- + Excellent hard water stability
- + Berry fragrance

Directions

Do not use in direct sunlight or on hot surfaces. Test in an inconspicuous area for paint compatibility. Dilute Bug Remover 1:2 with water and spray on to surface and allow to remain for two (2) minutes, wipe clean and rinse with water using a clean soft towel. For hard to remove areas, repeat procedure. Bug Remover can be used as a pre-soak followed by your choice of Mighty car wash.
